Education

Program	Institution/Board	%/CGPA	Year
B.Tech. (Computer Science & Engg.)	Walchand College Of Engineering Sangli Sangli, Maharashtra	7.88/10	2020-2024
Higher Secondary Certificate (12th)	Ichalkaranji Highschool and Jr.College Ichalkaranji, Maharashtra	82.93%	2018-2020
Secondary School Certificate (10th)	Annasheb Rajmane Vidyalaya Rui Rui, Maharashtra	91.00%	2017-2018

Work Experience

Articuno Coding LLP July 2022 - August 2022
(Flutter Developer Intern) Work From Home

- o Worked on **large** code base, understood code and **fixed bugs** in the applications, made UI screens as per the design given on figma and added new functionalities into the applications.
- o Maintained documentations on worked parts and completed all tasks within deadlines.

Projects

1. E-commerce Furniture app - For buying and selling furniture online Aug-Nov 2022
(Flutter and Firebase), [Github](#)

- o Developed a customer and seller-oriented e-commerce app using Flutter and Firebase, enabling seamless buying and selling of furniture items.
- o Implemented separate mobile apps for customers and sellers, providing tailored experiences and functionalities for each user group.

2. Serficon - Mobile application for finding rooms and mess for students. April-June 2022
(Flutter and Firebase), [Github](#)

- o Developed a mobile app using Flutter and Firebase to facilitate the search for rooms or mess options for students and individuals..
- o Created an intuitive user interface and navigation flow to enhance the user experience.
- o Leveraged the power of Flutter and Firebase to deliver a seamless and efficient app.

Technical Skills

- o Programming Language: C, C++
- o Framework: Flutter
- o Databases: MySQL
- o Tools: Android Studio, VS Code

Course Work

- o Data Structures and Algorithms
- o Operating System
- o Database Management Systems
- o Object Oriented Programming

Achievements

- o Solved around **600** Programming questions on various coding platforms.
- o Accomplished a 5-star rating in C++ from HackerRank.
- o Successfully Completed "Mastering Data Structures And Algorithms in C and C++" course from Udemy.
- o Awarded Problem solving badge from Hackerrank

Others

- o Hobbies: Playing Sports, Swimming, Listening Music
- o Languages: Marathi, Hindi, English.
